

## **90 DAY LIMITED WARRANTY ON REFURBISHED AVERA TELEVISIONS**

A 90 day limited warranty is offered to Avera customers from the date of purchase for parts and labor. Avera or its Authorized Service Centers will repair or replace, at Avera's sole discretion, the refurbished TV free of charge, if defective in material or workmanship as pertains to the warranty outlined below. This warranty applies only to the original purchaser, to products purchased from Avera or Authorized Dealers and used in the country of purchase. Any other service or parts is at the customer's expense. A copy of a valid dated bill or sales receipt with the purchase date, location, and retailer is required for any type of warranty service and will need to be provided to Avera before any warranty service begins.

### **Labor**

Avera will provide service labor to repair manufacturing defects during the 90 day limited warranty period. For displays thirty-seven (37) inches and larger on-site repair may be offered based on the distance and availability of an authorized Avera service center. The determination for performing on-site repair is also dependent on the defect and is at Avera's option and sole discretion. For displays less than thirty-seven (37) inches, service will be performed at Avera's authorized service center.

### **Parts**

Parts used for repair may be new or re-certified. Avera also has the option and sole discretion of replacing a defective unit with a new or re-certified unit of similar size and specification. Avera will

provide a warranty on replacement parts or replacement units for the remainder of the original warranty period, or for ninety (90) days from the date of repair or replacement, whichever is later.
